Homeowners will be given the option of paying for this expense over three months. If homeowners can show proof that they have replaced their

F. **Gutters/Downspouts/Leaf Guards** – A motion was made, seconded and carried to postpone this item so Joe Harvey can email Management photos of areas he said are missing gutters that don’t appear to be included in the proposals presented. The Board agreed to what areas of turf they would like to remove in upper Schubert but are still not in agreement with what areas of turf to remove in lower Schubert. A motion was made, seconded and carried to postpone further discussion until a few Board members could walk lower Schubert, so they could come to an agreement on what turf areas they would like removed and then share with the Board. Katie Pugel mentioned that the Landscape Committee didn’t think turf areas should be removed if they were used for access to maintain areas around and behind units, the large turf areas behind the garages or areas that could be used for recreation. The Board did agree to remove the turf area behind 63 Schubert and the areas of turf along the walkway back to 97 Schubert and nothing along Gabriellino in upper Schubert. Jeff Beckwith volunteered to put a list of areas in lower Schubert together so the Board could review at the November meeting. Motion carried 4/0.

A motion was made, seconded and carried to postpone the request from Jeff Beckwith, homeowner at 63 Schubert about planting an olive tree that he has in a pot into the
